

A map of a residential area. A canal, labeled 'Spaarndamseweg', runs diagonally from the top left towards the center. To the left of the canal is a railway line with multiple tracks. A dashed blue line outlines a specific residential block. The block is bounded by 'Kick Smitweg' to the north, 'Wim van Eststraat' to the east, and 'Oudeweg' to the south. Inside this block, 'Bep van Klaverenstraat' is visible. The area contains numerous brown building footprints and some green spaces. The map uses a color palette of light blue for water, light green for parks, light grey for roads, and brown for buildings.
